Chapter 1 by Charlotte Sharlon

I was wondering how can I be a better person in my lifetime but it is shamed that I could never be an innocent one

Who 's going to tell me what's right or wrong?

The whole world is blended white and black,she is no longer pure and I lose her for good....

The first thing when I woke up is to figure out how can I open my damn eyes which full with gum , and to brush my damn teeth which soiled with something like shit...I don't know why people always smells like excrement?That a question! Compared with "To be or not to be" I prefer this one it's more humanity. However, I woke...or sober up. Just let myself clear I am not an alcoholic,I didn't drunk last night, I just... overused.

I'll explain everything, before that, I really need a drink.

Madison Avenue is still messy as usual , pedestrian are still walk through the building blindly.They can't possibly know what I am or what I am planing to do....

film which is about the life of a woman who is trying to find her place in the world. She attempts to catch the hunter's heart despite the fact that he is already in love with another woman. What is the

speller. He located an innocent person Eliza who is walking under the tree outside the building. Ryan asked his minion to kill this girl so that he can touch the Carlos without being hurt. One of Ryan's subordinates found the Eliza and thrust the blade into her body. Everyone in the spot was shocked and screamed, but in the last moment the bleeding Eliza and Ryan's subordinate just vanished in front of the people. Over few seconds they all forgot about what had happened and keep going to destination.

In the Empire State Building Carlos noticed that Ryan is here and he just trying to killed the speller but he didn't !

Chapter 3 by Charlotte Sharlon

Eliza is nothing but a distraction, the real one is Katherine who has brown hairs and blue eyes and so is Eliza. Katherine is well-trained speller and there's no such thing like Hogwarts. Her training progression is more like The Sorcerer's Apprentice. However, Ryan didn't killed the speller or just not the right one.

In the same time Carlos blow up the TNT in order to attract more objects come over. Rumor has it that all the objects have something in common such as "over" sympathy, obsessed with mankind or purely wondering for research of deaths. Carlos is one of the exclusions who doesn't interested in humans. It probably because of his girlfriend, Katherine, who has been tortured by village folks long time ago.
